**NOTICE RE: AMENDMENT TO BY-LAW #52,
SEWER SERVICE CHARGE BY-LAW**

Richmond Council hereby provides notice that By-Law #52, Sewer Service Charge By-Law was amended at the March 22, 2021 Regular Council Meeting.

The object of the amendment to the By-Law was to amend the following:

- Change the method of billing for sewer services so that sewer billings are based on real-time water billings rather than calculated based on the prior year's water billings.
- Make provisions for metered sewer connections for institutional, commercial or industrial (ICI) customers with water consumption that varies significantly from sewage discharge volumes
- Provide for a mechanism to adjust a sewer bill in certain instances where a customer's water consumption is unusually high due to a water leak or other unusual activity.
- Combine the four sewer systems into a single sewer system (similar to the Richmond Water Utility) to allow for a single sewer ratio among all four sewer systems.

This By-Law may be viewed, or a copy obtained, at the Municipal Office in Arichat.
