*Obituary*

**Boudreau, Marie-Jeanne**

It's with great sadness that we announce the passing of Marie-Jeanne Boudreau on April 11, 2024. Marie-Jeanne was the daughter of the late Melina Boudreau (Montreal) and the granddaughter of the late Jane and Eddie Boudreau formerly of Louisdale.

She is survived by her two daughters, CHANTAL (Stéphane), DOMINIQUE (Franco) Boisclair, her grandchildren, Tristan, Guillaume, Irie and Adamo, as well as several extended relatives and friends.

Marie-Jeanne lived in Louisdale until the age of 12. Although she lived most of her life in Montreal, where she was employed with the Montreal Gazette for many years, until her retirement. Her connection to Louisdale remained etched in her heart where she formed lasting relationships with many families, and never forgot them. However, in 2023 she was devastated to lose her lifelong best friend, Elizabeth, a friendship that began as children and lasted their whole lifetime. We now can take solace in knowing they are now reunited once again.

Marie-Jeanne enjoyed gatherings with friends and family. Not only was she a great cook, but she was very well known for her love of food and with a great appetite. She so loved visiting and almost every visit entailed playing a card game called "PAY ME!"

She loved beautiful things and was often seen looking quite chic. She loved to have fun and be included in funny skits that brought much laughter to people and of course, to have a camera or video to record those special moments. She loved to keep in touch with people and would often send thoughtful cards in her beautiful handwriting.

She lived intensely and was extremely very generous (always sending mini parcels of items we couldn't get in NS), especially to those she loved. She was very spontaneous, much like, she lived her life. She was beloved by many and will be missed immensely!

According to her wishes, there will be no funeral service in Montreal, only in Nova Scotia, on June 22, 2024, at 11:00 am St. Louis Parish, Louisdale, luncheon to follow!
