### Memoriam

In loving memory of  
**Sarah Meisner**  
May 1, 2016.

Each turn of the tides,  
Each bud of the spring  
Remind me of the  
memory you bring.  
A light in the dark,  
the tears that left marks.  
A wound at the pit and  
bottom of our hearts.  
But as the hour hand spins  
Racing faster time  
and time again  
Cherished echoes  
are long lasting  
And larger than the gentle  
drops of May....

Remembered forever,  
Robert & daughter Janet

#### NOTICE TO RESIDENTS

##### 2024 SPRING HYDRANT AND MAIN FLUSHING PROGRAM

The Port Hawkesbury Water Utility advises customers that flushing of water mains and fire hydrants will begin Sunday, May 12th and continue to Friday, May 17th. This work will occur in all areas of the Town of Port Hawkesbury served by the Port Hawkesbury Water Utility. Flushing will take place between 9 pm and 5 am, Sunday to Friday, until completion. Flushing activities are carried out during overnight hours to minimize any inconvenience for residents.

Hydrant flushing removes sediment and maintains water clarity and quality. Customers may experience pressure fluctuations and water may temporarily become discolored after hydrant flushing. Should this occur, run your cold water tap for a few minutes until the water clears. If the water does not clear the first time, wait a few minutes and run the water again. Residents are advised to visually check the water before use and to avoid washing clothes until the water clears.

The Town of Port Hawkesbury thanks its customers for their cooperation and apologizes for any inconvenience.

For additional information please contact the Public Works Department at 902-625-1975.

Thank you.
