Well my beautiful sister Heather Angel it's so Very very hard to believe it's been 4 years today since you passed away.

I never thought it would happen so fast, I will remember that day as long as I live!  
I miss you so very very much, nothing is the same without you.  
I keep thinking you should be here, we were always together.  
There are so many things that I wanted to ask you but now I can't!

I always thought that God would take us together but he had other plans. It's not my time, I have to finish what we started in May 2002 and I will with help from My Three Angels!  
I call you Heather Angel because even though you're in Heaven with Our Angels, Mom and Dad, we're together spiritually!  
The only consolation I have is that you have no more pain or suffering anymore. Always remember how very very much I love and miss you. I always think of the Songs 'Precious memories' and Bryan Adams "It cuts like a knife"!

I am so very very proud and honored to have you for a sister. You were always looking out for me right to the end. Dad told me two weeks before he died that you were looking out for me from the moment I was born. You are the true meaning of the word Sister! Someday My Beautiful Sister, Heather Angel we'll be together with Our Angels, what a glorious day that will be. Give them hugs for me and tell them that I love and miss them both so very very much. Watch over me My Three angels and guide me on this, my very very lonely Journey on earth!

Dear Heather

Its so very hard to believe that its 4 years and so may have things have happened since you were called away.

So many things to share with you.

Had you been left to stay.

Every day in some small way

Memories of you come our way;

Though absent, you are ever near,

Still missed, loved always dear

*Yet another year has passed us by, and it is difficult to fathom that the years since you have departed are drifting further and further away from us. But, we miss you even more, and we miss your joyful home where you brought compassion, care, and consolation with so much dedication to so many. We miss your thoughtful and intellectual insights into world trends, especially now as we witness so much injustice being perpetrated in the world. Though you are gone from us, we are so blessed to have had you in our midst, and we treasure the memories you have left us. You will always be much loved and forever in our memories.*

## Thank You

We, the family of the late Kilmer Meagher, would like to sincerely thank everyone for their tremendous support during our time of sorrow. Thanks to everyone that visited, brought food, called, messaged, wrote poems, told stories, and helped with all the planning, with special thanks to Carole & Joanne for being with us through it all. Thank you to Father Joby Augustin, Deacon Berkley Gouthro, the Choir & Organist, Readers, Gift Bearers, and Pallbearers for the beautiful funeral mass at St. Joseph's Parish. To the staff of Haverstock's Funeral Home for your professionalism, respect, and dignity, especially Martin for the extras. Thanks to those who attended from home and away, sent sympathy, mass cards, and memorial donations. The Celebration of life was a beautiful tribute to Kilmer's true spirit. Thank you to the ladies that looked after the kitchen. Also, to everyone that showed kindness in any way, your thoughtfulness, compassion, kind words, and stories brought comfort during our difficult days.
